PERINATAL QUALITY COLLABORATIVE FOR MAINE

PERINATAL QUALITY COLLABORATIVE FOR MAINE

The Perinatal Quality Collaborative for Maine implements small changes over time to make big improvements in healthcare for all birthing people, babies, and families across Maine.

OUR MISSION

Optimizing perinatal health outcomes and experiences for all Maine families through collaboration, education, and continuous quality improvement.

COMMUNITY DRIVEN

PQC4ME collaborates with healthcare, state, and community-based organizations, as well as clinicians, families, and individuals with lived experiences.

OUR VISION

All babies, birthing people, and families will have safe, high-quality, equitable, and respectful care in their chosen setting.

EQUITY FOCUSED

PQC4ME advances equity, diversity, inclusion and belonging in all efforts to improve perinatal outcomes in Maine from preconception through pregnancy, birth, postpartum, and the first year of life, for infants, parents, and families.
