

Maternal Health Task Force (MHTF)

This group offers:

- Exploring creative solutions to the maternity crisis.
- Big picture strategizing.
- A time-limited, high impact opportunity.
- Long-term involvement to implement the plan.

**Meets for 2-hour monthly Zoom meetings,
with potential for additional subcommittee
meetings**

Perinatal Quality Collaborative for Maine (PQC4ME)

This group offers:

- The most up to date knowledge and practices.
- Educational opportunities.
- Hands-on involvement with projects.
- Support for your project ideas.

Meets for 1-hour quarterly Membership meetings on the 4th Tuesday of January, April, July, and October from 10-11am, with opportunity for further involvement in individual projects, the Executive Committee, DEIB Workgroup, or the Evaluation Team.

Maternal Fetal and Infant Mortality Review (MFIMR) Panel

This group offers:

- Deep and challenging engagement with the stories of people who have died.
- A holistic approach to preventing deaths, that includes family, medical, community, and public health perspectives.

Meets for 3-hour quarterly Panel meetings on the 3rd Tuesday of January, April, July, and October from 1-4pm, with occasional additional trainings.
